

Spa Rejuvenation Rates

Soothe away the rigours of everyday life in the sensuous splendour of a Javanese-inspired spa. As the strains of enlightening Gamelan music put your mind into a state of restfulness, let the skilled hands of our experienced masseurs pamper and renew your body. Surrender yourself to holistic relaxation techniques both ancient and contemporary, all of which are derived from traditional Royal Javanese methods combined with the finest hand-picked organic ingredients.

And while you enjoy Javanese treatments such as the luxurious Queen Massage and Royal Heritage Massage, you can choose to enhance your relaxation with the latest spa equipment or indulge in other rejuvenating therapies including the lulur body scrub, Merapi Mud Body Mask, and other holistic Royal Spa treatments. All brought to you by Princess BRA Mooryati Soedibyo of the Royal Javanese Palace.
